

The Northrop Athletic Department is asking for your help in signing up parents, staff, and students as part of the Safe Driver Pledge Program offered by American Family Insurance. American Family Insurance has provided financial support of high school athletics and with our involvement in this program we could be eligible for prizes!

I have attached the step-by-step process when visiting the website at www.teensafedriver.com/pledge

Website Steps

Parent Initiator:

- 1) Enter all your required information on registration tab (i.e. first name, last name, address, city, state, zip, email, create password)
- 2) Provide required information for your teen on registration tab (i.e. first name, last name, email, student's age)
- 3) Click "Submit"
- 4) Read the pledge, and click "Agree" at the bottom of the page
- 5) After these steps, the parent has finished his/her portion of the pledge
- 6) An email was sent to the student using the student's email address as provided on the registration tab
- 7) When the student receives the email, he/she needs to click on the link provided in the email
- 8) That link will take the student to the My Pledges page of the AFI site; once there, click "Complete the Pledge"
- 9) The student will be taken to a page to complete some additional registration info (i.e. high school); complete that information and click "Submit"
- 10) The student then needs to read the pledge and click "Agree" at the bottom of the page
- 11) Once this is done, the parent and teen are registered to win the individual prizes (Wiis, iPods, iTunes gift cards) and the school receives a registration that counts towards their overall total
